AMERICAN HERITAGE TEN YEAR CUMULATIVE INDEX

OLUME VI, NUMBER 1 – VOLUME XV, NUMBER 6 ★ DECEMBER 1954 – OCTOBER 1964

"The most accomplished way of using books at present is twofold: either, first, to serve them as men do lords, — learn their titles exactly and then brag of their acquaintance; or, secondly, which is, indeed, the choicer, the profounder and politer method, to get a thorough insight into the index, by which the whole book is governed and turned, like fishes by the tail."

Jonathan Swift: *A Tale of A Tub*, 1704

This Ten-Year Cumulative Index covers the first 60 issues of AMERICAN HERITAGE as a "magazine in book form"—i.e., with hard covers and without advertising.

It includes all places, names, subjects, authors, titles, and illustrations which have appeared in the issues from December, 1954, through October, 1964, completely indexed as a single unit.

Here, in short, is a guide to a sweeping, varied, and authoritative chronicle of our nation's past. Although not "complete" (no history can be), this Index can produce at least one reference for almost every major event in American history.

Much of the material in AMERICAN HERITAGE is unique in that it is not available in any other printed source. More than a thousand of paintings, drawings, maps, and photographs (approximately one-half in color) are listed in a special separate section, and cross-indexed with names of artists, photographers, and cartographers.

Additional copies of the Ten-Year Cumulative Index are available for $5 each. A Five-Year Cumulative Index, including all the entries for the issues from December, 1954, through October, 1959, is available for $3. Soft-cover Annual Indexes, each covering six issues, are also available for the first ten years of the hard-cover publication of AMERICAN HERITAGE at $1 each. Indexes may be ordered from the magazine's Sundry Department, 239 Great Neck Road, Great Neck, Long Island, New York.

Prior to December, 1954, AMERICAN HERITAGE was published for five years as a soft-cover quarterly by the American Association for State and Local History.

Beginning with VOLUME V, AMERICAN HERITAGE has been indexed in the *Reader's Guide to Periodical Literature*, available in most libraries.
